CALLING ALL ARCHITECTURE CONSTRUCTION & ENGINEERING PROFESSIONALS

BECOME A MENTOR
WITH THE ACE MENTOR PROGRAM!

ACE MENTOR PROGRAM
ARCHITECTURE • CONSTRUCTION • ENGINEERING

The ACE Mentor Program of Oregon is seeking volunteer mentors!

ACE is a free after-school mentorship program for high schoolers. Mentors help students design a building, learn valuable work skills and explore careers in architecture, construction and engineering.

ACE mentors give back to our community, inspire the next generation and attract new talent to the industry. Please join us in 2027!
