Terms of Scholarship

Congratulations on receiving an ACE Mentor Program of Oregon Scholarship. Please read the following terms. You are required to sign and return a copy of these terms in order to receive your scholarship:

1. I understand that it is my responsibility to annually submit a disbursement form (available online) completed by both me and the college, and a copy of my transcript or other proof of enrollment in order to receive each disbursement.
2. I understand one-fourth of my total scholarship will be paid once per year while I am in school over four installments as long as I comply with all other terms.
3. I must be in good academic standing in order to receive disbursements.
4. I understand that I must apply for the first disbursement of my scholarship within two years of graduating high school or the scholarship will be forfeited.
5. I understand that once the first installment of the scholarship is disbursed, I must apply for the remaining funds within the next five years or the remaining funds will be forfeited.
6. I understand that I must use the full amount of the scholarship within seven years of graduating from high school, or the remaining funds will be forfeited.
7. I understand disbursements are available to me if I am studying an eligible field covered by this scholarship, which includes: architecture, construction, construction-related engineering, and directly related disciplines *approved on a case-to-case basis* by the ACE Mentor Program of Oregon. If I change my major and do not pursue a field covered by this scholarship, I will forfeit my scholarship.
8. I understand changing colleges will not affect my scholarship if I comply with all other terms.

I have read and agree to the above terms.
